Uniform Specification Guide

Uniform Specification Guide

This Guide is setting out the specifications for competition uniforms under article 4.2.4.1 of the WT Para Taekwondo Competition Rules

Sewing regulation

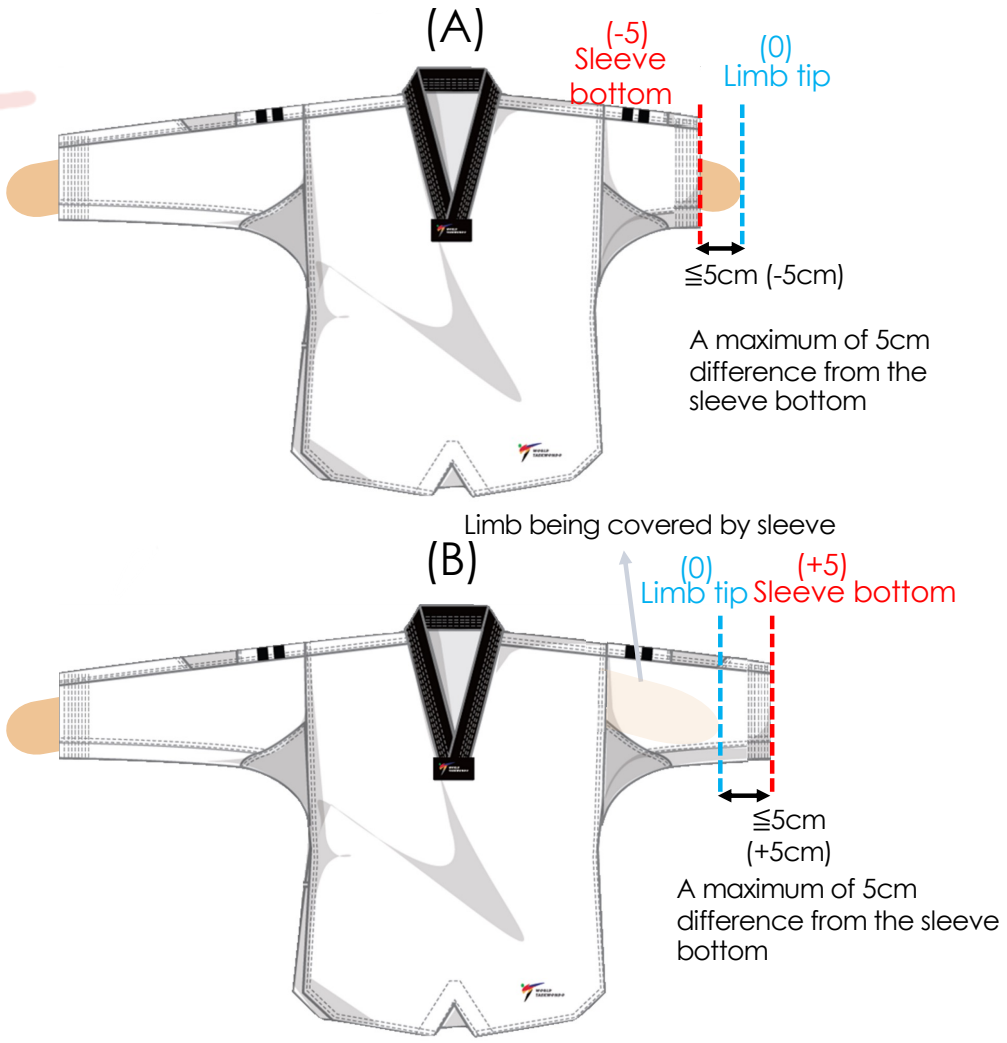
World Para Taekwondo Competition Rules

The Taekwondo uniform sleeves for the K40 Sport Classes shall be cut and sewn not to provide additional coverage of sensors, restrict the movement of the athlete nor have a negative effect on the esthetic presentation of the sport.

GUIDELINES

Athletes may expose the impaired limb (A) with a maximum of 5 cm from the sleeve bottom or (B) have the sleeve cover the impaired limb with a maximum of 5 cm from the tip of the residual limb

The Uniform sleeve shall be cut and sewn in accordance with the athlete's preference (A or B) in accordance with the length of the athlete's residual limb.



Sewing regulations

GUIDELINES

- A sleeve that has been cut shall be sewn along the edges of the end of the sleeve
- The sleeve shall **not** be sewn shut to allow easy access to inspection and adjustment of protective equipment.
